Roads Water and Sewer report

Roads: I spoke with Jess Bailey and directed him to begin seasonal repairs on the roads.

Water: Samples have been taken and tested as required.

The boil order remains in effect.

Mike Smith, Denis Jameson and Jess Bailey have been authorized to schedule and begin yearly maintenance issues:

- Removal of brush along roadways, around the school house and spring box

- Replacement of service lines on Juniper and Pine

- Extending two fire hydrants to proper height.

- Opening and checking all valves.

- Edge of road and culvert cleaning repair and maintenance

- Inspect repair and mark sewer cleanouts.

Mike Smith is scheduled for testing on May 17th. He will not be able to attend the annual meeting.

Sewer: Samples have been taken and tested as required.

A meeting is scheduled for the third week In April to begin the reserve study composition.

Power meters were read, recorded and forwarded.
