Roads Water and Sewer Report

Roads: A section of lower Floriston Way needs to be filled, compacted and patched.

Water: The Preliminary Engineering Report is being prepared for submission. Paul Rose, Mike Smith and I met with Nv County agent Catrie Levinson on May 7th at 10:00a.m. The purpose of the visit was to inspect the plant and to observe our progress. A follow up letter with her observations will be sent. Andregg Geotechnics will complete the survey, topos, staking and recording of Lot 80, Schoolhouse property
Mike Smith will complete and file the Consumer Confidence Report for 2014

Samples have been tested as required. The boil order remains in effect.

Sewer: No issues were reported with the sewer. The claim submitted to Liberty Energy for damage to the inspection reports has been approved and a check for \$585.60 will be sent.

Power meters were read and recorded as required.
