

Roads Water Sewer Report December 13 2012

Roads: There were no issues reported with the roads.  
We received a snow removal proposal from WRS. It is pending approval at the Dec 20<sup>th</sup> meeting

Water: Water samples were taken and returned as scheduled.  
The boil order remains in effect.  
Acumen engineering is working with Rosewater to determine our next steps to bring our plant into operational mode.  
Emails between agencies were forwarded to the board.

Sewer: Waste water samples were taken as scheduled.

Power meters were read and submitted as required.

Thank you Chuck Grooms RWS FPOA
